

Charities

Every year Mont Rose College organises at least two or three charity event to raise awareness and money for those in need. Thanks to the generosity of our students and staff members we have so far helped improve lives of the homeless, cancer sufferers and those with mental health issues.

Headway Walks

Mont Rose College of Management & Sciences and Headway, a UK Nationwide Charity for brain injuries, held their first ever charity walk. We pride ourselves in having great students, who always support important causes. Over 160 students and staff members took part in this mile long venture, raising over £1100 to help carry on the great work Headway do.

McMillian Coffee Morning

In October Mont Rose College host a Coffee and Cake fund-raising event for Macmillan Cancer Support Charity Organization. Mont Rose College has been supporting Macmillan for four years now, and each time we are aiming at putting the bar even higher and raise more than the year before. We will be hosting another one this year. We must admit - we have so far been successful.

Advertisement for MBA

We have been advertising MBA (Masters in Business Administration) courses since the start of the year. The course is starting from January, 2019 for which the awarding body is Buckinghamshire University. Upon successful completion of the course the student will be awarded at least 180 credits and obtain a Master Degree. It is a full time course, lasting between 12 to 15 months.

MRC Angels Final Winner

Mont Rose College organizes a Business Plan competition every year to encourage success and innovation. The current MRC students are invited to apply with their business plan proposal, which should demonstrate their desire and potential to make the business vision become a reality. The panel of independent, successful entrepreneurs award the best candidate with £500 cash prize. This year winner was Shari Chantal Lashawn Roger, whose proposed restaurant was a Guyanese restaurant. This assured her with a sum of money necessary to invest and the use of the College facilities, she may need to successfully set up her dream project.
