- Your application will be considered in the strictest confidence, and you will be notified of the outcome via an e-mail.

General Information:

- There is no guarantee the money in the fund will last for the whole academic year.
- MRC Emergency Hardship Fund may not be able to financially support every application received and may be unable to meet all of the costs you are applying for.

Standard awards:

Standard awards can help to meet general costs associated with being a student such as living costs, e.g. rent, food, and utility bills as well as with course-related expenses such as travel, books and childcare.

The fund is not for:

- Meeting the tuition fee costs
- Maintaining student's lifestyle
- Those showing gambling/betting
- Those showing excessive spending

Non-Standard awards:

- Can help to meet exceptional one-off costs,
- Disabled Students can apply for assistance with costs not met by their DSA (Disabled Student's Allowance).
- Emergencies, e.g. travel costs for family illness, bereavement etc. can be considered.

Payment of awards:

The amount paid will be based on funds available and the number of qualifying applicants.

In order to qualify for release of payments the College must be in receipt of your first instalment of the Student Finance tuition fee.

Students in receipt of state benefits:

Any awards may have implications for the students’ entitlement to Welfare Benefits. Students who receive help from the MRC fund can request the College a document of award confirmation to present to their local Jobcentre Plus/Housing Benefit office if required.

How to Appeal:

If you are dissatisfied with the outcome of your application, there are two stages of recourse available to you - review and appeal. For more information about this, please read the relevant sections of the Financial Support Policy, available on the College website.
